Foreword

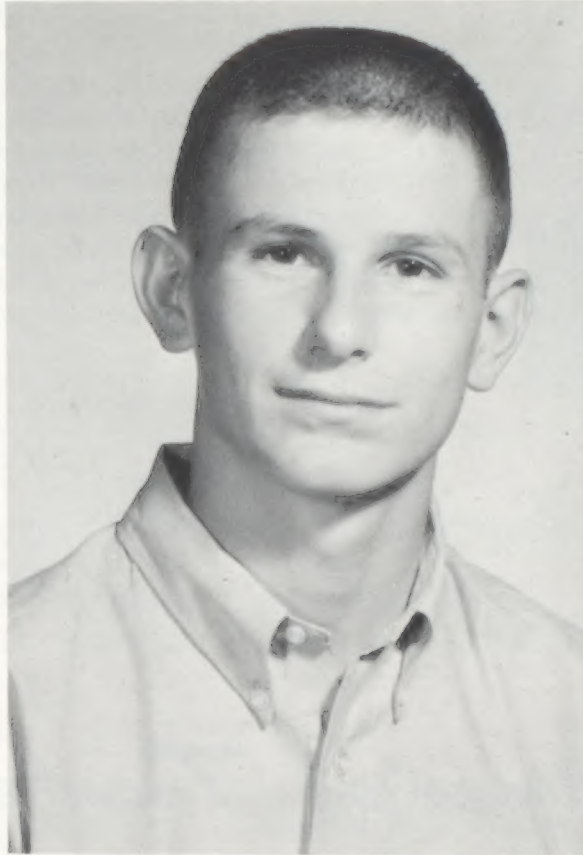

As the school year, 1964-1965, comes to a close we wish to pause for a while and look back by means of this yearbook on its many happenings.

We, the staff of the, 1964-1965, Golden Warrior, would like to convey our sincere appreciation to the merchants who have helped make this annual possible. We would like to thank, also, Mrs. Daisy Cook for her help and guidance as our sponsor.

We, the senior class, give you "The 1964-1965 Golden Warrior."

Annual Staff

In Memoriam

We, the Senior Class of Sanger High School, dedicate the 1964-65 Golden Warrior to the memory of our beloved friend Stephen Baker who gave his life for the game he loved.

We hope the high ideals and moral standards that Stephen stood for will always be retained in the spirit of our school.

Superintendent's Message

It is the Administration's earnest wish that you will look back on your Sanger school days as a period of progress and growth.

As you go forth along the most strenuous and less certain pathway into the future, may you be ever mindful of the fact that we are thinking of you and praying that you may be triumphant in every endeavor.

Sincerely,

Barrett H. Reeves

Principal's Message

It is always an honor and a great privilege to have a part in the year book in the form of a message to the student body. This year the opportunity takes on a more significant meaning. We can not predict what the future holds for any of us, but that is no reason to surrender ourselves to any level less than our greatest hopes and ambitions. This may well sound like a swan song in my present position as your principal, but I have no thought of giving up my confidence in you- the future generation of our great country.

Sincerely,

Floyd V. Banks

Floyd V. Banks, Principal
Sanger High School

Principal's Message

You, the Seniors of 1965, have achieved much since I first became well-acquainted with you only twelve years ago. May you continue to achieve and be amply rewarded for your efforts. Congratulations and best wishes!
